PRP A04 Chapter-Oct-6 draft.docx

No bother; I understand (as does my new boss) that there will be some transition time. For now, just assume Jamie for everything until he tells you otherwise.

Here's the latest A4 I have. In this case, it's probably Beth Hinchey who will be the main Secretariat contact (with Santina still being the main content person). Am I right, Beth?

You mentioned your roles & responsibilities were being divided out. Do you have a list of folks by issue, that you can share or is this something Chris will transmit to Jennifer?

Looking for, in particular, the A4 PRP chapter Secretariat lead. Mike wants to share the A4 chapter w/ the IJC at their semi-annual meeting at the end of Oct which means, if Susan agree, we need to start moving. Was the latest version of the A4 chapter what Santina sent or was there another version w/ other input?

I'll stop bothering you now John since you're in your new job!
